

Home Safety Pledge

I, _____, am a Home Hero.

I promise to **never open the front door for a stranger** without a grown-up.

I promise to **know my home address by heart** so I can always tell someone where I live.

I promise to **call 911 if there is an emergency** and know the difference between urgent and not urgent.

I promise to **get low and crawl if there is smoke** — clean air stays near the floor.

I promise to **feel a door before I open it** in a fire. If it's hot, I find another way out.

I promise to **always tell a grown-up** when something seems wrong at home.

I am a Home Hero.
